

Dear Sir / Madam

**Flossbach von Storch - Multi Asset - Balanced**  
**Report to Participants for the purposes of Reg 92D**

**For the attention of UK investors**

As you may be aware, UK resident participants of the fund who are within the charge to UK Income/Corporation Tax are required to report their share of taxable income from the fund for the period 1 October 2017 to 30 September 2018, when completing their own Income/Corporation Tax returns.

To this end, we enclose a detailed breakdown of the income and gains earned by the fund during the period. This information is provided to all participants and does not take into account the specific circumstances and tax profile of each participant. If any participants are in doubt, they should consult their own professional advisors with regard to this information.

The report represents 'sufficient information' for the purposes of the UK reporting fund regime.

### Notes:

- 1) In accordance with regulation 92D, the fund remains a reporting fund as at the date the report was issued.
- 2) This report does not take into account the specific circumstances and tax profile of each participant. If any participants are in doubt, they should consult their own professional advisors with regard to this information.
- 3) There was not sufficient information to obtain income received on a receipts basis, and so income on an accruals basis has been used as a best estimate.
- 4) It was not possible to obtain a source by source split of Income and associated withholding tax on a share class basis.
- 5) Management expenses comprise of all costs expensed directly to the fund apart from interest payable and launch costs. Individual investors should note that relief for management expenses may only be available to them in certain circumstances. Individuals should seek their own tax advice if they are uncertain as to the tax treatment of expenses in their income tax return.
- 6) During the period, the fund held investments in Flossbach von Storch - Global Emerging Markets Equities - I, a non-reporting fund. For prudence purposes, any loss resulting from this non reporting fund has been capped to zero.
